

## Studio Jakob Kvist is looking for an intern to assist with various lighting design and art projects

Are you interested in working with projects across lighting design, art, and architecture, and being part of a small creative company? Then apply to become an intern at Studio Jakob Kvist in the spring of 2022.

We need an intern to assist our small competent team in the creation of our many upcoming projects with lighting design and art. In 2022 our work includes municipal decorating projects, exhibitions of permanent and temporary installations at museums, festivals, and in public space, as well as participation in various competitions and open calls. It will be an exciting and busy spring and we are therefore looking for an intern with an interdisciplinary interest in the creative field that wishes to develop their skills within:

### WORK TASKS

- Creative design presentations, including; visualizations, 3D modeling, and images
- assembly of prototypes, light fixtures, and other sculptural forms
- setting up lighting designs and installations at various sites and institutions
- participate in workshops

### WE ARE LOOKING FOR A PERSON WHO

- speaks fluent English and/or Danish
- is creative and interested in working across lighting design, art, architecture, and public space
- currently is studying lighting design, architecture, design or another relevant study
- is skilled in one or more of the programs: AutoCAD, Adobe Photoshop, Adobe Illustrator, Rhino, Blender, Google Sketchup, Dialux
- can work 3 days a week from 9-13 and is flexible in installation periods
- is willing to roll up their sleeves, make coffee or a playlist for our next Friday bar

So, if you are interested in working across lighting design, art, and architecture and in being part of our small dedicated workplace and staff, then send us your CV, portfolio, and a short application text as soon as possible to [info@jakobkvist.com](mailto:info@jakobkvist.com). If you have any questions, you are welcome to call Jakob at (22 56 91 75) or send us an email.

We look forward to hearing from you!
